~~~~NO WAKE~~~~

Hogback Lake Property Owners:

On Saturday July 4th the annual membership meeting was held at the Rose Lake Township Hall located on 16 Mile Rd. One issue brought up and discussed was the operation of power boats and Jet Ski's. The complaint was that speedboats and jet ski's continue to operate on the lake at or after dusk when we would normally see fellow lake property owners canoeing/kayaking, fishing, taking a cruise on their pontoons and boats or relaxing at their campfires.

For the safety of all who use the lake the membership voted to approve a **NO WAKE** hours from 8pm and 8am. Our hope is first and foremost the safety of all and to set aside a time where everyone on our lake has a time to enjoy their particular sport or interest.

The association will post a sign at the property owners boat launch soon. Please pass this information along to your family, neighbors, friends and guests or to those who might not have access to our website at hogbacklake.org If you have any questions please contact any board member and we'll do our best to help clarify any questions or concerns. Let's all help keep Hogback Lake a clean and safe lake to enjoy.

Thank you for you cooperation and have a happy and safe boating season.

Respectfully submitted, Michael Warren
